NOTICE OF

**ELECTRONIC DELIVERY OF THE 2014 ANNUAL WATER QUALITY REPORT
FOR CITY OF VERNON CUSTOMERS**

This Notice contains instructions for you to obtain important information about your drinking water. If you are Non-English speaking please have this notice translated, or speak with someone who understands it. Este reporte contiene las instrucciones mas recientes para obtener informacion importante sobre su agua potable. Si usted no habla inglés, por favor busque ayuda para traducir esta noticia.

The Safe Drinking Water Act (SDWA) requires that the City of Vernon (City) provide you with an Annual Water Quality Report. The purpose of the Annual Water Quality Report is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water resources.

In recent years, the City has mailed a printed copy of the Annual Water Quality Report to comply with the SDWA. On February 13, 2013, the California Department of Public Health (CDPH) expanded its interpretation of the Safe Drinking Water Act to allow for electronic delivery of the Annual Water Quality Report. The electronic delivery method will allow the City of Vernon to reduce the consumption of paper, and minimize potential printing and mailing costs.

To view your 2014 Annual Water Quality Report and to learn more about drinking water please visit the City's website:
