To summarize report delivery used and good-faith efforts taken, please complete the below by checking all items that apply and fill-in where appropriate:

☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).

☒ CCR was distributed using electronic delivery methods described by the February 2013, CCR Delivery Memorandum (water systems utilizing electronic delivery methods must complete the second page).

☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:

- ☒ Posting the CCR at the following URL: http://www.pcwa.net/ccr/foothill-sunset.pdf
- ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
- ☐ Advertising the availability of the CCR in news media (attach copy of press release)
- ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
- ☐ Posted the CCR in public places (attach a list of locations)
- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Other (attach a list of other methods used)

☒ *For systems serving at least 100,000 persons*: Posted CCR on a publicly-accessible internet site at the following URL: http://www.pcwa.net/ccr/foothill-sunset.pdf

☐ *For privately-owned utilities*: Delivered the CCR to the California Public Utilities Commission

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c), California Code of Regulations.

Consumer Confidence Report
Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete the below by checking all items that apply and fill-in where appropriate.

☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: http://www.pcwa.net/ccr/foothill-sunset.pdf

☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: http://www.pcwa.net/ccr/foothill-sunset.pdf

☐ Water system emailed the CCR as an electronic file email attachment.

☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).

☐ *Requires prior CDPH review and approval.* Water system utilized an additional electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

A direct link to the CCR for the Foothill/Sunset System was provided as a bill message on the customer's bill (1), received in May/June (http://www.pcwa.net/ccr/foothill-sunset.pdf). For those customers enrolled in e-notifications (2), an email was sent to the customer letting them know of the direct link to the CCR in the bill message of their May/June bill. For those customers who are unable to receive electronic delivery, we have provided our phone number and instructions to call if they have questions or would like a paper copy of the 2012 CCR mailed to their home. We have also mailed a letter to all multi-user accounts (3) notifying that they can find the direct link to the CCR pertaining to them on their May/June bill and also provided a letter for them to post or distribute to the multi-user customers that do not receive individual bills with the corresponding link to the CCR. A letter was also mailed to all Newcastle Customers (4), as it is possible for them to receive treated water from both Auburn/Bowman and Foothill/Sunset systems. Attached are printed examples of all of the above.

RE: { Service Address }

Dear Customer,

This is to inform you that PCWA has provided the annual Water Quality Report through a link (located in your May/June bill) taking you directly to our website. You are receiving this message because we have determined your service to be a multi-unit or multi-user service. It is very important that all users of this service have access to and knowledge of this information.

Please make this information available to all users of this service by posting in a common area, distributing copies of this message, or both. Refer to your May/June bill for the correct report link (all system reports can be found at the link below).

http://www.pcwa.net/water-resources/water-quality.html

Please note, we will no longer be providing printed copies of the report for each unit served, unless specifically requested.

If you have questions regarding this information, please call our Customer Services Center at 530.823.4850.

Thank you.

RE: «Street_Address»

Dear Customer,

In the links provided below you will find the annual water quality reports for Placer County Water Agency's testing and monitoring programs for 2012.

As a resident of Newcastle, it is possible for you to receive water from our Foothill-Sunset water system as well as our Auburn-Bowman water system, therefore both water quality reports are provided in the links below.
