Your 2014 Water Quality Report is Now Available Online

Tap water is one of life's most valuable conveniences. You rely on it to wash your foods, clean your clothes and quench your thirst. The quality of water delivered to your home is important to us. Every year, we provide a report with the data so you can see how our water quality stacks up against state and federal drinking water standards. We encourage you to view this report at www.ccwater.com/awqr.

In 2014, the treated drinking water delivered to your home was better than all drinking water standards set by the state and federal governments.

Attention landlords, business owners and other organizations

Please share this important information with tenants, patrons and other water users at your location.

As part of our efforts to be more environmentally responsible, we are no longer printing these reports. Visit us online at www.ccwater.com/awqr to view your water quality report. To obtain a paper copy of the report, you may contact your water provider or print the report directly from the website.
