

**Consumer Confidence Report
Certification Form**
(To be submitted with a copy of the CCR)

Water System Name: City of Woodland

Water System Number: 5710006

The water system named above hereby certifies that its Consumer Confidence Report was distributed on June 8, 2015 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by: Name: Jeremy Cox
Signature: 
Title: Chief Water Systems Operator
Phone Number: (530) 661-5882 Date: 6/15/15

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL: www.cityofwoodland.org/WQR/2014
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)
 - Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
 - Delivery to community organizations (attach a list of organizations)
 - Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
 - Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
 - Other (attach a list of other methods used)
- For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www.

- For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.cityofwoodland.org/WQR/2014
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval. Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The City of Woodland provided the statement below to the public.

To view your 2014 Water Quality Report and to learn more about your drinking water, please visit the following URL:

STAGE 2

WATER WARNING

UPDATED REGULATIONS

NEW RESTRICTIONS

RESIDENTIAL

↓25%

reduction in overall water use

NON-RESIDENTIAL

↓40%

reduction in irrigation use

RESTRICTIONS FOR ALL WATER USERS

Outdoor irrigation is limited to **three days per week** and to the hours of 6 p.m. to 10 a.m. Drip irrigation is exempt.

DO NOT allow excess irrigation water to run into gutters and storm drains.

DO NOT water lawn during or for 48 hours after rain.

All water hoses **MUST BE** equipped with shut off nozzles.

DO NOT "hose down" hardscape surfaces - like driveways and sidewalks - except for health and safety purposes.

REPAIR all outdoor and indoor leaks.

DO NOT operate or refill fountains or other water features (except recirculating systems).
