Consumer Confidence Report

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires Sierra Unified School District to provide you with. The purpose of the CCR is to raise consumers' awareness of the quality of their drinking water, where their drinking water comes from, and the importance of protecting drinking water sources.

In recent years, Sierra Unified School District has mailed its customers a printed copy of the CCR to comply with the SDWA. On February 21, 2013, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow Sierra Unified School District to reduce the consumption of paper, and minimize potential printing and mailing costs.

To view your 2015 Consumer Confidence Report and to learn more about your drinking water, please visit the following URL on June 30, 2016:

www.sierrausd.org/ccr

If you would like a paper copy of the 2015 CCR sent to your mailing address or would like to speak with someone about the report, please call Jim Harris at (559) 855-8314.
