YOUR WATER QUALITY REPORT IS NOW AVAILABLE ONLINE

Each year the Indian Wells Valley Water District provides its customers an Annual Water Quality Report. Each report contains a summary of the hundreds of laboratory tests performed on our water each year. We encourage you to review this report as it provides details about your water source and the quality of the drinking water provided to your community in 2015.

In an effort to be more environmentally responsible, we are no longer mailing hard copies of these reports to every customer, but instead are making them available on our website in an easy to read format. Visit us online to view your water quality report at www.iwwvd.com/ccr/2015.pdf.

If you wish to review a paper copy, you can call our office at (760) 375-5086 and one can be mailed to you. You can also pick up a copy at our office at 500 W. Ridgecrest Blvd.
