The Water Quality Report is an annual report that water utilities provide to the public to raise customer awareness of the quality of their drinking water, where their drinking water comes from, and the importance of protecting drinking water sources.

The State Water Resources Control Board Division of Drinking Water allows electronic delivery of Padre Dam's Annual Water Quality Report. This electronic method allows Padre Dam to reduce consumption of paper and minimize printing and mailing costs.

**Looking Ahead**

Padre Dam's Advanced Water Purification program is looking to create a new, local, sustainable and drought proof drinking water supply using state-of-the-art technology to purify East County's recycled water. The process will provide a safe, high quality drinking water source and reduce our dependence on importing water from hundreds of miles away.

Come tour our Advanced Water Purification Demonstration Facility to see the process for yourself, [sign up here](#).

Sincerely,

Padre Dam Municipal Water District
