Annual Water Quality and Consumer Confidence Report Available

It's Better on Tap. Report Now Available Online.

This year, Moulton Niguel Water District (MNWD) is excited to announce that in an effort to save more than just water, MNWD is doing its part to save paper. MNWD's 2014 water quality and consumer confidence report is available electronically online at www.mnwd.com/CCR.

Since 1990, California public water utilities have been providing an annual water quality report to their customers. This year's report covers calendar year 2014 drinking water quality testing and reporting. MNWD vigilantly safeguards its water supply, and as in years past, MNWD is pleased to report that the drinking water provided to your home meets or exceeds the standards required by state and federal regulatory agencies.

To request a paper copy, please visit the MNWD office at 27500 La Paz Road, Laguna Niguel, CA 92677, or call (949) 831.2500.

Remember, the next time you thirst for a refreshing cool glass...it's better on tap!

About MNWD

Moulton Niguel Water District (MNWD) provides drinking water, recycled water, and sewer service to more than 170,000 customers in Laguna Niguel, Aliso Viejo, Laguna Hills, Mission Viejo, and Dana Point. Approximately 25 percent of MNWD's water is provided through local water recycling programs. Approximately 75 percent of MNWD's water is imported from the Metropolitan Water District of Southern California – a regional water wholesaler that delivers water from Northern California and the Colorado River.
