

**Consumer Confidence Report
Certification Form**

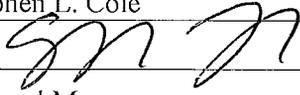

(To be submitted with a copy of the CCR)

JUL 25 2016

Water System Name: Newhall County Water District-Castaic Division

Water System Number: 1910247

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/16/2016 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by: Name: Stephen L. Cole
Signature: 
Title: General Manager
Phone Number: (661) 259-3610 Date: 7/20/2016

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL: <http://www.ncwd.org/departments/water-quality/>
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)
 - Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
 - Delivery to community organizations (attach a list of organizations)
 - Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
 - Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
 - Other (attach a list of other methods used)
- For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www._____

- For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.ncwd.org
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www.ncwd.org
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval. Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

In order to reach customers receiving monthly paper bills, we included a statement in the important information section to notify customers that the 2016 Santa Clarita Valley of Water Quality Report is available. We also included a statement in the eBills to notify customers that the CCR is available on our website. In an effort to reach non-bill-paying consumers, a press release was made, along with an article published in the local newspaper, "The Signal". Both the press release and the newspaper article informed customers that the CCR was posted on the Santa Clarita Valley of Water Suppliers webpage, and gave them the link to find the report. The Santa Clarita Valley of Water Suppliers webpage is a combined effort of all the water providers in the Santa Clarita Valley. Since the CCR is also a combined effort, posting the report on this website worked well for all of the water suppliers in the Santa Clarita Valley.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c), California Code of Regulations.

**NOTICE FOR IMPORTANT
INFORMATION ABOUT YOUR
DRINKING WATER QUALITY
FROM THE SANTA CLARITA
VALLEY FAMILY OF WATER
SUPPLIERS**

June 25, 2016

The Signal

Castaic Lake Water Agency (CLWA), CLWA Santa Clarita Water Division, Los Angeles County Waterworks District #36, Newhall County Water District, and the Valencia Water Company continuously work to ensure you and your neighbors have a reliable and high quality water supply at a reasonable price. The State Water Resources Control Board Division of Drinking Water requires water agencies to provide all customers an annual report on the quality of your water and to show how it meets federal and state drinking water standards.

This 2016 Annual Water Quality Report (also known as the Consumer Confidence Report) describes in detail the quality of local water supplies in the Santa Clarita Valley during 2015. You will find additional explanation of the requirements and test results in the report. In previous years the report was mailed to customers. Due to a change in the law and a desire to save our ratepayers money, the water agencies are posting the report on their websites and mailing notices of its availability to customers.

To view the 2016 Annual Water Quality Report, please go to any of the websites of the water suppliers noted above or access it at the Family of Water Suppliers website:

http://www.scvh2o.org/docs/2016%20CLWA%20Water%20Report%20_low%20res_website.pdf

If you would like a paper copy of the 2016 Annual Water Quality Report mailed to you or would like to speak with someone about the report, please contact your local water supplier identified in the report.

**NOTICE FOR IMPORTANT INFORMATION ABOUT YOUR
DRINKING WATER QUALITY
FROM THE SANTA CLARITA VALLEY FAMILY OF WATER SUPPLIERS**

Castaic Lake Water Agency (CLWA), CLWA Santa Clarita Water Division, Los Angeles County Waterworks District #36, Newhall County Water District, and the Valencia Water Company continuously work to ensure you and your neighbors have a reliable and high quality water supply at a reasonable price. The State Water Resources Control Board Division of Drinking Water requires water agencies to provide all customers an annual report on the quality of drinking water and to show how it meets federal and state drinking water standards.

This 2016 Annual Water Quality Report describes in detail the quality of local water supplies in the Santa Clarita Valley during 2015. There is additional explanation of the requirements and test results in the report. This year we are posting the report on our websites and mailing notices of its availability to customers in order to save our ratepayers money and still comply with current law.

To view the 2016 Annual Water Quality Report, go to any of the websites of the water suppliers noted above or access it at the Santa Clarita Valley Family of Water Suppliers website:

http://www.scvh2o.org/docs/2015-CCR-Water-Report-FINAL-web_version.pdf

or the CLWA website at:

<http://clwa.org/docs/wp-content/uploads/2015/06/2015-CCR-Water-Report-.pdf>

Paper copies of the 2016 Water Quality Report can be obtained by contacting your local water retailer identified in the report.

The Santa Clarita Valley Family of Water Suppliers consists of the Castaic Lake Water Agency, CLWA Santa Clarita Water Division, Los Angeles County Waterworks District No. 36, Newhall County Water District and the Valencia Water Company.

About the Castaic Lake Water Agency:

The Castaic Lake Water Agency (CLWA) is the Santa Clarita Valley's public water wholesaler. CLWA is one of 29 State Water Project contractors and receives water imported from northern California and Kern County through the California Aqueduct. CLWA operates two large treatment plants, three major pump stations, three water storage facilities and over 45 miles of large diameter transmission pipelines delivering water to four local water retailers. Our mission is to provide reliable, quality water at a reasonable cost to the Santa Clarita Valley.

www.clwa.org

About CLWA Santa Clarita Water Division:

Santa Clarita Water is a division of the Castaic Lake Water Agency (SCWD). SCWD is a water retailer that serves approximately 121,000 people with over 29,000 service connections in portions of the City of Santa Clarita in the communities of Canyon Country, Newhall, and Saugus and unincorporated portions of Los Angeles County. SCWD supplies water from local groundwater sources and CLWA imported water. www.scwater.org

About Los Angeles County Waterworks District #36:

Los Angeles County Waterworks Districts (LACWD) is a network of public water systems formed pursuant to Division 16, County Waterworks Districts of the California Water Code. LACWD currently provides retail water service to five County Waterworks Districts. District #36, Val Verde, serves a population of about 5,150 people through 1,350 service connections in a portion of the Santa Clarita Valley. www.lacwaterworks.org

About Newhall County Water District:

Newhall County Water District, created in 1953, is one of four water purveyors in the Santa Clarita Valley and currently supplies a population of more than 44,000 with over 9,700 service connections. Governed by a five-member Board of Directors, elected at large by residents of the district, its 34-square mile service area includes four distinct geographical areas in the valley – Castaic, Newhall, Pinetree, and Tesoro. www.ncwd.org

About Valencia Water Company:

Valencia Water Company (Valencia) serves approximately 118,000 people with over 31,000 service connections in the Santa Clarita Valley, including Valencia, Stevenson Ranch, and portions of Newhall, Saugus, and Castaic. Valencia supplies its customers with high-quality water supplied from local wells and from imported supplies. Valencia has served the Santa Clarita Valley since 1965. The Valencia Water Company is a private corporation whose stock is owned by the Castaic Lake Water Agency. www.valenciawater.com
